8. High speed internet with every computer

## Vision of VSNYC :

1. Our Vision is to consider or expansions and diversifications.
2. Honesty is our best policy.
3. To provide about the full knowledge about their course.
4. To provide the highest quality education by highly qualified / experienced faculties.
5. The mission of the institution is to be an institution of recognition and improve quality of life of the social fabric by nurturing talent.
6. We believe in students' satisfaction giving proper lab assistant, extra classes or doubt clearing classes, every kind of evaluation process that makes a student prominent in the field of computer education and in their coming future. It conducts motivational classes periodically to lessen down stress and pressure of the students.

## Our Research & Development Team :

Our fantastic Research & Development Team, dedicate themselves in making effective study materials, exam related special notes, question for different class tests, Module Tests, Mock tests, for the development of our student.

## Chairman Cum Managing Director's Voice

I am proud of this institution dreamt by me. I am inspired by Iswar Chandra Vidyasagar. I am inspired by all his activities. My first and main aim is to make the poor Students reach the top of the success. So, I welcome out of my innerheart all the Students and their guardians in order to make my effort more success.

Welcome to all on behalf of Vidyasagar National Youth Computer Centre.

*Mr. Debashis Naskar*

**[www.vsnyc.in](http://www.vsnyc.in)**

## Academic Definitions :

1. An Academic Session represents the period commencing from the first class attended by a student to the specified time of completion of the specific course for which the students have been admitted.
2. A Batch is a group of students registered for a specific course. Each batch is assigned a specific batch code.
3. Every course leads to the award of a Certificate subject to fulfillment of all requirements.
4. Monthly Installment Payment Plan is a facility which is given to a student whereby he/she can make a part of the payment.
5. A Student Invoice is containing information a batch code, student's registration/roll no, student's enrollment no, student's name and the mode of payment of course fee.

## Admission :

1. Admission to any course is based on the Institution's eligibility norms .
2. An applicant's admission to a course is confirmed for a particular batch only on payment of the admission fee.
3. An admission to a course is not transferable to any other individual.

## Course Methodology :

1. Each course is composed of different modules.
2. During the course every student is evaluated through tests, projects, presentations, each of which forms a part of the student's final evaluation.
3. Each course is conducted according to predefined course targets which are communicated to the students through the notice board. These targets define the date, time and venue of all major activities regarding the course.
4. Each batch is assigned a faculty who is responsible for the learning process of each student. The faculty is expected to solve all technical problems of the students. However, if a problem remains unsolved, the student is welcome to contact the Centre-in-charge.
5. The student is expected to complete to.
6. The student is expected to maintain 100% attendance along with the batch allocated / admitted to get the full benefit of the course,
7. The student should discuss the implications of any absence that cannot be avoided with the faculty and work out a plan of corrective act

## Academic Identity Card & Class Planning :

1. Each student is issued a valid Identity Card after joining the course.
2. A student may not be allowed in a class if he/she is unable to produce his/her identity card.
3. A student may not be allowed to appear in an examination if he/she is unable to produce his/her Identity Card.
4. In case of a loss of an Identity Card, a duplicate Identity Card may be issued on written request and against a payment of Rs. 10/-
